ENGLERTH GARDENS

4652 S. Division Ave.

Grand Rapids 8, Michigan

1951 Price List of HEMEROCALLIS SIBERIAN AND DWARF IRIS ORIENTAL POPPIES PHLOX

Greetings to Old Friends and New,

We hope you'll like our list of plants for sale-- what we think are good varieties of hemerocallis, Siberian and dwarf iris, Oriental poppies and phlox. This started out to be a hemerocallis-iris list, and the other things just popped up and asked to be included. We grow many varieties of all these that we do not have in sufficient quantity to list, so you are invited to come in and browse around at any time.

The Englerths

PLANT SIZE--Prices on hemerocallis are for large strong single divisions. Clumps or plants in bloom selected from the field will be priced according to their size-value.

POSTAGE--All orders for \$3.00 or over will be sent prepaid. With orders for less than that amount, please include 25¢ for packing and mailing. Michigan customers please include 3% sales tax.

TIME--Oriental poppies can be shipped only in August or September. Other things may be shipped either spring or fall.

HEMEROCALLIS (Daylilies)

ECHINOPS TAPLOW BLUE

Steel-blue globes for the summer garden--

This outstanding globe thistle makes wonderful specimen plants for the back of the summer perennial border. The globes are larger and of a blue much deeper in color than the ordinary echinops ritro, and are not only effective garden subjects, but make a long-lasting cut flower.

Blooming size plants 65¢ each, three for \$1.75. (Note: Orders for echinops received after May 15 will be held for fall delivery.)

JOIN THE SOCIETIES

You can learn much about the progress and culture of daylilies and iris, and at the same time help to promote further development by joining these mutually helpful non-profit societies. You may send your remittance directly to headquarters:

THE HEMEROCALLIS SOCIETY, Mr. George E. Lenington, Secy., Box 139, Kansas City 10, Mo. They publish a yearbook full of interesting information about daylilies. Dues \$3 per year.

THE AMERICAN IRIS SOCIETY, 444 Chestnut St., Nashville 10, Tenn. Publications, four quarterly bulletins of over 100 pages each. Dues \$3.50 per year or \$5. for husband and wife (family) membership.

Or we will gladly send your membership in for you, and if remittance is included with an order, will send \$1.50 worth of iris or daylilies, your selection, or \$1.50 worth of each for membership in both societies.

Yes, we do have tall bearded iris too, and every year promise ourselves we are going to get out a list of them. Maybe it will be this year, and if we do, we'll send you one. This little list is all very informal, but perhaps some day we can grow up and send you one on shiny paper with some pictures.
